A blonde woman with long hair is posing in a peach-colored tube top and a multi-colored striped bikini bottom. She is kneeling on a red patterned cloth on a wooden floor. The image is split into two panels by a vertical red line. In the left panel, she is facing forward, smiling, with her hands on her thighs. In the right panel, she is turned away, showing her back and buttocks, with one foot resting on a wooden chair. The background is a warm-toned room with a framed picture on the wall.

i can't say no

I'm 26 years old and an adjunct professor at a small Atlantic Coast university in South Carolina. That means I'm not a full time prof. I come in to give lectures or assist the full-time pros with their classes. It's a good gig right now. I don't work every day and I like my time off. I bicycle to the campus and love to walk around and see the nicely manicured grounds and, of course, all the pretty young coeds. Now don't get me wrong. I said I like to look.

My schedule for the week has me waking up early and cycling to the university every morning. I get there the exact same time, even in rainy weather, and see the same students walking to their first classes. There's one coed that comes to my class who looks to be nineteen or so. She's always overburdened with textbooks and has dropped them many a time as she settles into her seat. She dresses conservatively, but my instincts tell me that she may be

a little wilder than she seems. I think her name is Gia, but I'm not sure with one hundred students in my class.

The bell rings and the muffled noises of students seating themselves dies down and I begin to talk. Today I'm lecturing on the virtues of the Norwegian health care system versus our health care, so I talk, and talk, and talk until the end bell rings and that flurry of them getting up and leaving fills the room. I watch the students empty the lecture hall, and notice Gia coming down towards me. Strangely, I felt something in my pants tingle at the sight of her getting closer. That had not happened before.

"Professor, do you have a minute?" she asked.

"Yes, of course... Gia, isn't it?" I ask.

"Yes, hi." she says. "I think I'm having a bit of a hard time understanding your lecture today. While I understand the differences in the two health care systems you talked about, I don't see the economic impact each has on their respective countries. I especially didn't understand the differences between the Australian and South African systems you alluded to." she says.

I'm stunned and amazed that someone actually listened and thought about what I said. I looked at her for a moment, taking in her pretty eyes and soft (I assume) skin.

"Gia, I can adjust my notes and go a little more into depth on that in my lecture on Wednesday. There isn't enough time to discuss it here and now. I hope that will work for you." I say with just a hint of sarcasm.

She smiles, nods okay and I watch her walk up the stairs and out of the lecture hall. My next class is coming in now, but all I can think about is that cute little coed who is actually interested in what I'm teaching. My day finally ends and I cycle home. I think about her on and off as I prep for my next day's lectures. I lean back in my chair and think about my first year in college. The first time I had sex with a girl at college was with one a couple years older than me. She was a junior and I had only been there a month. Her name was Annie and she was about one hundred pounds, five foot six with long brown hair to her shoulders, and perky twenty-year old boobies. I remember she loved to show off around campus in a short belly shirt with no bra. This drove all the boys crazy to see that walking into the quad.

My dorm shared the same lunch hall with hers. One day she came over to our table and asked if she could sit. She said all the other seats were taken. I stumbled over my words to say 'yes.' and she smiled as she set down her tray. We talked throughout the half-hour we had for lunch as I brought my "A" game. It was 1:30. As we took our trays to their station, she said she didn't have another class until three. I had one at two, but some said that I didn't either.

"Good," she said. "Let's go to your room and listen to Coldplay. she says. "You do have Coldplay?"

SHE CAME OVER TO MY BED, WHERE I WAS LOUNGING AND SAT ON THE EDGE. SHE PULLED HER TOP OFF RIGHT THERE IN FRONT OF ME AND EXPOSED TWO PERFECT BREASTS. MY MOUTH DROPPED AS I COULDN'T TAKE MY EYES OFF THEM.

"Of course," I said. "Everyone of their CDs."

We walk into my room with her behind me and she closed and locked the door. She winked and walked over to the CD player and found a Coldplay disc and put it in. I enjoyed her company and we shared college stuff for over an hour. She came over to my bed, where I was lounging and sat on the edge. She pulled her top off right there in front of me and exposed two perfect breasts. My mouth dropped as I couldn't take my eyes off them.

"Do you like?" she cooed. I muffled out a 'yes' as she took my hand and brought it up to her right breast. I squeezed lightly as I felt her hands reach for my pants button and zipper. Deftly she undid them both and put her hand inside searching for my cock. It was already half-way to greeting her fingers as she grabbed hold and squeezed. I stood in

front of her and let her pull my pants and boxers down. Then she pulled her top over her head and threw it on the bed. I reached for her jeans and unbuttoned them and pulled them down. She wasn't wearing panties and the sight of her tightly trimmed pubes was a huge turn on.

I sat on the bed leaving room for her on the other side. We ran our hands over each other's bodies as we kissed. It was only a few minutes when she dropped her head down and I felt her lips and tongue wrapped around my cock. She was sucking me so hard, pulling the blood to the head of my cock. I felt something I've never felt before as my heart started pounding really hard. I tried to push her head off me but she kept it there, going all the way down on it. I realized I needed to relax and just kicked back to enjoy it. I'll be fine. Just lay there and enjoy getting your freshman college cock sucked by this wild-ass junior.

As she sucked up and down, I didn't know how long I could last, but then she pushed me down on the bed and got into a 69 position over me. She told me to lick her. I looked up at her pussy and I was speechless at this close up view of this girl's privates. Her pussy lips glistened with sweat and pussy juices. It was beautiful. My cock got harder as my tongue reached up and parted her lips, slightly spreading them apart. Her tight pink asshole seemed to be pushing in and out by itself as I was licking her. The view was spectacular.

Then, I went crazy and started licking her anus. First, up and down to her pussy ending at her clit and back up again, repeating this for several minutes. I could hear her moans and groans through her cock sucking. She never loosened her tightly wrapped mouth around my rock hard cock and suddenly I shot thick ropes of cum into it. Stopped long enough to swallow and catch her breath. LouAnne, from Memphis, smiled at me still catching her breath. She climbed off me and I watched that sweet pussy get further away. But no problem, I'm about to fuck it soon. and she's gonna see how it feels from a virile nineteen year old college man!

THEN, I WENT CRAZY AND STARTED LICKING HER ANUS. FIRST, UP AND DOWN TO HER PUSSY, ENDING AT HER CLIT AND BACK UP AGAIN, REPEATING THIS FOR SEVERAL MINUTES. I COULD HEAR HER MOANS AND GROANS THROUGH HER COCK SUCKING.

She sat up on the bed, leaning back against the wall and spread her legs, bringing her knees up. She started stroking her clit and shoving her fingers inside her pussy. I'm looking at her sweaty naked body and listening to her moans, making me hard again.

"I see you're ready again." she says with a smirk..

NOT EVEN MY BIRTHDAY

There was a time when we were the dirty dozen, partying until the sun came up over the Gulf of Mexico. But slowly over the years, our group shrunk to just three. And I couldn't be happier!

Houston, we have a party

Since our college years at UH several years ago, a group of us would meet at South Padre Island to celebrate our friend Nina's birthday – and our graduation, which just so happened to be the same day, May 28. As the years passed, the number of people who came shrunk from twelve to just three this year. Most had all settled into jobs and families so it was harder and harder for them to get away. This year it was only Nina, Amber and me. At first I was bummed because no other guys had come, but then I realized it would be just me with these two hot babes. I know Nina had a guy she was seeing but he was a lobbyist and in Washington DC. Amber was recently divorced from this guy who was my best friend in college. I was always the player, but had settled down a little also since getting a job in public relations. Still unmarried.

The two girls were already there when I arrived at the hotel. I found them in the bar, drinking and laughing. I expressed my satisfaction that it was only the three of us, but they seemed much more into themselves and their drinks. Nina and Amber decided to share a suite. They both have long dark hair and

incredible bodies that look like heaven. After hanging out during the day, we decided to shower up and grab a bite to eat at a nearby restaurant. They told me to stop by their room and pick them up. I got ready and made my way over to their suite, which faced the pool. I got there to see the door had been left open for me.

I announced my presence a couple times before I heard a voice from deep inside the suite telling me to come in and close the door. I followed the sound, which led me to their bedroom expecting to see them sitting on the bed talking or putting on make-up. Instead I got the surprise of my life. Nina and Amber were buck naked on the bed. Nina was laying face down. Amber was massaging her and it took me a moment to realize that she was also massaging her pussy. Nina moaned as Amber's fingers explored the folds of her perfect pussy. I watched for a few minutes before Nina refocused on me and told me to come in.

She told me to close my gaping mouth and take off my clothes if I wanted to join them. My clothes hit the floor before she could finish her sentence. I could barely get my boxers off, because my dick was already at full force! I got onto the bed

next to Amber. She reached down and took hold of my rock hard dick and started to play with it. Nina smiled back at Amber and I thought to myself that these two had been planning this. Amber leaned over and started to suck on my cock. It felt wonderful as her tongue swirled around the head. Nina flipped over and pushed me back onto the bed. They each took turns licking and sucking on my rigidity. Nina cradled my balls in her hand and gently sucked and played with them. It was like nothing I had ever experienced. It was pure heaven. Just the sight of two heads giving me head was amazing. We guys are visual and this is the best visual I have ever seen.

Amber pried herself from my cock and straddled my face as I stuck my tongue into her moist pussy. Her juices were all over my face before she even got down. I licked her clit and sucked on her large pussy lips. I reached up and started massaging Amber's perfectly large breasts and slippery hard nipples that responded immediately to my touch. I was caressing her nipples and eating her pussy as I felt Nina mount my cock. She moaned as she slowly slid onto my rigid pole. She started to ride me and I felt Amber's pussy start to contract and she pushed it harder into my face. Her juices continued to gush and I continued to lick faster and harder. I spread her chocolate lips to reveal her pink insides and that made me even hornier. Her clit was hard and seemed like it was getting bigger and bigger. I was loving it.

With a few good licks and a finger massage of her pussy lips, Amber's entire body shuddered and she cried out in pleasure.

She turned around and moved off my face lowering hers to Nina's and I could see them kissing. Their tongues danced in and out of each other's mouths.

Then I felt Nina's pussy start to contract. She grabbed onto Amber and rode me harder. Amber massaged her breasts and kissed her neck as she trembled with orgasm. It was all too much for me to take and I shot my big wad into her pussy. Nina cried out that she could feel my hot cum flowing into her. She rolled off of me and spread her legs so Amber could go down there with her tongue and lick my cum out of Nina's pussy. I knelt over the two girls watching them. My cock started getting harder as I watched and Nina reached over and started stroking my cock. It was getting harder in her hand and she pulled it into her mouth and started licking me feverishly as Amber was still licking her pussy.

I could see Amber checking out the cock sucking action and stopped licking Nina's pussy. She looked at me and spread her pussy lips wide as an invitation to fuck her. It was one I could not refuse. Nina pulled my cock out of her mouth and guided it into Amber's pussy. I slid my rock hard cock into her. Nina got off bed for a moment and grabbed something from her suitcase. I heard a muffled buzz as she turned on a little vibe and put it on Amber's clit. I could also feel the sensation vibrating through my cock as I fucked her. I blurted out that it felt great and with that Nina moved behind me and stuffed it between my ass cheeks. I was surprised and gave a big forward thrust into Amber. She screamed a little as did I when I felt it back there.

Nina told me to relax and moved the buzz around my butthole. Damn, that felt good. I had never felt that before. She played around there for a few minutes and moved the vibe down between my legs just behind my balls. Man, was I feeling it. She moved it back and forth between my anus and balls, changing the speed to drive me even crazier. Satisfied with that, Nina grabs a dildo she had handy and begins to tease my ass with it. I close my eyes, still fucking Amber and let the new sensation sweep over me. She spreads a little lube around by hole and slowly pushes it in.

Wow, that felt good, I thought to myself, never thinking that my ass would ever be penetrated. And by a woman with a dildo. Damn! Nina moves around front holding the dildo in my ass with one hand and she puts the buzzing vibe onto Amber's clit. Immediately we both moan as the vibrations make the fucking more intense. Nina moves her hips so her pussy is over Amber's face, who begins to eat her like there's no dinner later. She still has one hand around my hips holding the dildo in my ass. I've become comfortable with it now and am letting the feelings melt together.

I take my cock out of Amber's pussy and stuff it right into Nina's waiting mouth. After a few strokes I slipped it back into Amber, and then back into Nina's mouth. I could do this all day. I started to stroke harder and faster into Amber's pussy as she began to buck wildly. She pulled me into her as she came and pulled Nina's pussy onto her face. Nina cums instantly and I see her love juice flowing into Amber's mouth. She slurps and licks it all up. Then Nina says to me that she wants me to cum

inside Amber so she can lick it out of her pussy. I do just that and her pussy disappears under Nina's head.

I move up to Amber's face and straddle it. Nina moves her hips so I can get in there. Amber grabs my cock and takes the head with her moist lips. She strokes the shaft wildly trying to coax more cum out of me. I was ready to spurt again and Amber knew it by the way I was fucking her mouth. After a few more strokes and Amber's hand massaging my balls, I blow another load onto her face. Nina slides up Amber's body and begins to lick her face, sharing a long, deep tongue kiss with her friend. I step out of the bed to watch these beautiful mocha babes finish each other off one more time in a sweet sixty-nine. They both cum with soft murmured moans and I climb back in bed with them. Now it's almost midnight we're all beat.

Twelve hours later, still in deep sleep, I'm awakened by Amber sucking on my cock. Nina was already up and had grabbed her iPhone to shoot a video of it. She said it was just for her. Right! I came in Amber's mouth and she took every drop. Nina gave Amber the iPhone and pulled my head down into her pussy which I happily licked until she came. Amber said she missed some of it and wanted me to lick her again. Nina said 'Oh yeah!' as I dove in for more. Then it was my turn to video the two of them getting it on. I directed them to kiss and didn't have to say another word. I propped the iPhone against a pillow and let it continue shooting. I jumped in between them and we did a three-way oral daisy-chain.

Then there was a loud knock on the door. "Room service."
